SAMPLE — an illustration of the GaadiPe report. Not a real vehicle, and not an official record.

VERDICT — BEFORE YOU PAY

- **Loan recorded with Sample Bank Limited. Before paying, get the bank's NOC and Form 35 so the loan can be removed from the RC.**
- **3 challans pending (₹4,500). Ask the seller to clear them before the RC transfer.**
- **PUC (emission test) expired 26 days ago. The vehicle should not be driven until it is renewed.**

VEHICLE

All particulars are reproduced as received from the national vehicle registration, e-challan and NETC FASTag records through the Unified Logistics Interface Platform (ULIP). These replicas are synchronised periodically and may lag behind the live record at the RTO. GaadiPe is a private service: it does not create, alter or verify this data, and this document is not an official record. Where anything differs from your papers, the RTO record prevails. This report is not an RC card: for the official digital RC, use DigiLocker or mParivahan (free).
